PROFILE INFO

Hello, I'm Mohomed Ziard, a UI Designer and Software Developer with three years of experience in UI design and one year of experience in software development. Currently pursuing a BSc Hons in Software Engineering, I am passionate about creating visually appealing interfaces that prioritize user-friendly experiences. With a strong attention to detail and a commitment to delivering high-quality work, I bridge the gap between aesthetics and functionality. I'm eager to contribute my skills to innovative projects in the field of software engineering.
